

Drifter

(B C#m E)

B C#m E
I used to have a home a place I started from

B AA
a place to call my own

B
the bright lights and late nights

C#m
the devil took me on a midnight ride

E B
left me out in the desert on my own

C#m F#
And now I feel alone
C#m F#
I need a hand to help me find my way back home

B
I'm a drifter out on a dead end road

C#m
trying to find my way back home

E B
to get to You, oh to get to You

B
Lord I've been gone for far to long

C#m
headed to places i dont belong

E B
and I've got to get back home to You

B C#m E
Sometimes I think about the past the road that I was on

B
the road that lead me home

B C#m
I'll walk on another day I may wonder but I'll never stray

E B
I found out the hard way sin don't pay _____

G#m F#
and when I feel the night is closing in

G#m A
and I can barely breathe the air

G#m F#
I just remember that i've got a friend

C#m A
who really cares oh who really cares
