

Everything:
(intro: G, Em, D, C)

VERSE 1

G **D/F#**

I've held on to death

Em

What you've given me is always more than my best

D

Still it seems I just complain with every chance I get

C

Am

Don't let me forget.

VERSE 2

What more do I want

Is there something I need that I've not already got

When you look at me, do you still see me

Or something better than myself

To <Chorus>

VERSE 3

You always give me a choice

Still you paid so much more than I think I'm worth

Everything I hold on to, is so much less

than You give me

CHORUS

G

So I'll let go of my everything

C

Am

Give you room to hold me

G

Hold me close to never let me go

C

Am

I want to hold you, like you hold me

Bridge

G

D/F#

It's like hugging someone whose arms are full

Em

You can never get too close, never get too close

C

I want to drop what keeps me at arms length

Am

Love the one who chose... me.
