

G C  
Dear God,  
G C G C  
surround me as I speak,  
G C G C  
bridges that I walk across are weak  
G C G C G C  
The frustrations fill the void that I can't solely bear

G C  
Dear God,  
G C G C  
don't let me fall apart,  
G C G C  
you've held me close to you

G C G C G C  
but I have turned away and searched for answers I can't understand

[Chorus:]

D C G  
They say that I can move the mountains  
D C G  
And send them falling to the sea  
D C G  
They say that I can walk on water  
D C G (let ring)  
If I would follow and believe

with faith like a child  
(intro)

G C  
Sometimes,  
G C G C  
when I feel miles away  
G C G C  
and my eyes can't see your face  
G C G  
well I wonder if I've grown to lose the recklessness  
C G C  
I walked in light of you

[Chorus] (intro chords)

[Chorus2:]

D G  
They say that I can move the mountains  
D C G  
And send them crashing into the sea  
D C G  
They say that I can walk on water  
D C G  
If I would follow and believe  
D C G  
They say that love can heal the broken  
D C G  
They say that hope can make you see  
D C G  
They say that faith can find a Savior  
D C G (let ring)  
If you would follow and believe

with faith like a child
