 I stand amazed in the presence  
     **D**            **G**  
 of Jesus the Nazarene  
     **C**                                    **G**  
 and wonder how he could love me  
     **D**                                    **G**  
 a sinner condemned and unclean.

**G**  
 How marvelous, How wonderful  
     **D**  
 And my song shall ever be  
     **G**                            **Em**  
 How marvelous, How wonderful  
     **Am7**    **G**            **D**            **G**  
 Is my saviors love for me

**G**  
 He took my sin and my sorrows  
     **D**                            **G**  
 and made them his very own  
     **C**                                    **G**  
 And bore the burden of Calvary  
     **D**                                    **G**  
 and suffered and died alone
