

I want to praise you  
but i don't know where to start  
you see beyond my words  
and know my heart  
and yet you love me despite this

I prayed for patience  
but the wait is so hard  
You've taken me places  
I've said were too far  
and you love me despite this

I can't remember  
The last time i saw the sunset  
and thanked you  
and meant it  
and i can't remember  
the last time where i failed you  
but needed you  
and you weren't there.

Lord let me love  
like you love me

Every time I push to hard  
and go astray  
you pull me close and say  
get up, get up there's work to do  
I have so many ways left to show you  
How much i love you  
I love you
