

Light Up the Sky

Intro: Bm G D A (x2)

<Verse 1>

Bm G D A
When I'm feeling all alone, With so far to go
Bm G D A
The signs are nowhere on this road, Guiding me home
Bm G D A **Bm**
When the night is closing in, It's falling on my skin
G D
Oh God, will you come close?

<Chorus>

Bm G
Light, light, light up the sky
D A
Light up the sky to show me you are with me
Bm G
I, I, I can't deny
D A
No I can't deny that you are right here with me

Bm G
You've opened my eyes
D A
So I can see you all around me
Bm G
Light, light, light up the sky
D A
You light up the sky to show me
Bm G D A
That you are with me

<Verse 2>

When stars are hiding in the clouds
I don't feel them shining
When I can't see beyond my doubt
The silver lining

When I've almost reached the edge
Like a flood you're rushing in
Your love is rushing in

To <Chorus>

<Bridge>

Em Bm
So I run, straight into your arms
G Em
You're the brightened morning sun
To show your love
G G (let ring)
There's nothing you wont do

To <Chorus>

<outtro> 3X

Bm G D A
That you are with me
