

## CHORUS

G D C G

Lord if I ever needed someone I need you  
lord if I ever needed someone I need you

## VERSE

Em G

To see me through the daytime

Em G

And through the long lonely night

Em G

To lead me through the darkness

C G

And on into the light

Em G

To stand with me when I'm troubled

Em G

And help me through my strife

Em G

When times get so uncertain I turn to

C G

To you in my young life

Lord if I ever needed someone I need you  
Lord if I ever needed someone I need you

Someone to hold onto  
And keep me from all fear  
Someone to be my guiding light  
And keep me ever dear  
To keep me from my selfishness  
To keep me from my sorrow  
To lead me on to givingness  
So I can see a new tomorrow

Lord if I ever needed someone I need you  
Lord if I ever needed someone I need you

## BRIDGE

D

Someone to walk with

C G

Someone to hold by the hand

D

Someone to talk with

C G

Someone to understand

yeah, yeah yeah

To call on when I need you  
And I need you very much  
To open up my arms to you  
And feel your tender touch  
To feel it and to keep it  
Just right here in my soul  
And care for it and keep it with me  
Never to grow old

Lord if I ever needed someone I need you  
Lord if I ever needed someone I need you
