

## People Get Ready

D Bm7 G A D

People get ready, there's a train a'comin'  
You don't need no baggage, you just get on board,  
All you need is faith to hear the diesels hummin'  
Don't need no ticket, you just thank the Lord

People get ready, there's a train to Jordan,  
Picking up passengers from coast to coast  
Faith is the key, open the doors and board them  
There's hope for all among the loved the most
