

C F C (2x) Capo 1 Something Beautiful - needtobreathe

Verse 1:

C F C
In your ocean, I'm ankle deep
C F C
I feel the waves crashin' on my feet
C F Am
It's like I know where I need to be
G F
But I can't figure out, yeah I can't figure out

C F C
Just how much air I will need to breathe
C F C
When your tide rushes over me
C F Am
There's only one way to figure out
G F
Will you let me drown, will you let me drown

Chorus 1:

C F
Hey now, this is my desire
Am G
Consume me like a fire, 'cause I just want something beautiful
C F
To touch me, I know that I'm in reach
Am G
'Cause I am down on my knees, I'm waiting for something beautiful
C F Am G C
Oh oh, Oh oh, oh-oh-oh something beautiful

Verse 2:

And the water is risin' quick
And for years I was scared of it
We can't be sure when it will subside
So I won't leave your side, no I can't leave your side

Bridge:

C F C C F C
In a daydream, I couldn't live like this
C G
I wouldn't stop until I found something beautiful
C F C C F C
When I wake up, And all I want, I have
C G
You know it's still all I need something beautiful
