

Washed by the Water

B
Daddy was a Preacher
E
She was his wife
G#m
Just trying to make the world a little better
 E B
You know, shine a light

People started talking
Just to hear their own voice
Those people try to accuse my father
Said he made the wrong choice

Though it might be painful
You know time will always tell
Those people have long since gone
My father never failed

Chorus: (x2)
B
Even when the rain falls
E
Even when the flood starts rising
B
Even when the storm comes
E F#m
I am washed by the water

Bridge:
G#m E B
Even when the earth crumbles under my feet
G#m E B
Even when the ones I love turn around and crucify me
G#m E B
I won't never ever let you down
F#m F#m E
I won't fall, I won't fall, I won't fall as long as you're around me
